More information

Cabins:

The Glorius Miss Nouran offers ample space with its 13 double cabins, accommodating 26 divers. Eight of the cabins are located on the lower deck and are equipped with two single beds. On the upper deck, there are four double cabins, each with two single beds, offering superb ocean views, as well as a spacious suite with a panoramic view. The cabins feature a new, modern, and innovative design, ensuring you feel comfortable throughout your entire safari. All cabins are equipped with a private bathroom, bathrobes, a minibar, and individually controlled air conditioning.

Dining:

On board, you'll enjoy a delicious selection of European and Egyptian cuisine—freshly prepared with carefully selected ingredients and great attention to detail. Enjoy fresh, regional seafood, daily baked treats from our own onboard pastry shop, and a variety of authentic specialties. Whether you're

vegetarian, vegan, gluten-free, or have specific dietary restrictions—just let us know your preferences. We're happy to accommodate your personal needs. A Nespresso machine is available for coffee lovers. Of course, you're welcome to bring your own favorite capsules so you can enjoy your coffee just the way you like it.

Salon:

The salon is divided into a comfortable dining area and a tastefully furnished chill-out area. Both areas invite you to relax. For entertainment, this area features a library as well as an audiovisual station with DVD, video, TV, and CD.

Sun Deck:

The Sea Serpent Glorious Miss Nouran features two sun decks, one of which is partially shaded. They're very spacious and generously equipped with mattresses and pillows. Both sun decks are perfect for relaxing between or after dives. Whether you want to chat with other divers, simply read a book, take a nap, or just enjoy the sunset, the upper deck features a bar with a shaded seating area and an open seating area, both of which are perfect for relaxing between dives.

Diving:

The tanks are arranged along the sides of the teak dive platform, making it easy to put on your gear and enter the water. Two staircases lead down from the dive deck to the lower dive platform, where the fun can begin!

All participants should bring a copy of their passport, as well as a valid diving certification and logbook, to the boat check-in.

The first night of the safari tour is spent on the boat in the harbor. The last night of the safari tour is spent on the boat in the harbor or in a 4* hotel, if the boat's schedule requires it.

In the event of further price increases by the Egyptian government (fuel, diving permits, or visas), we reserve the right to adjust fees and surcharges.

For group bookings of eight paying guests, the ninth person is free but must pay the incidental fees.
