More information

Cabins:

The M/Y Serena Dreams has five single-bed cabins and one cabin with bunk beds on the lower deck. Three additional cabins are located on the upper deck, including one double-bed cabin and two cabins with two single beds. All cabins are equipped with a private bathroom, minibar, and individually controlled air conditioning. Towels and bathrobes are provided as standard in all cabins.

Dining:

Meals are served buffet-style and offer a wide variety of options. Look forward to a delicious blend of European and Egyptian cuisine—fresh, varied, and prepared with love. Of course, we've got you covered—whether you're vegetarian, vegan, gluten-free, or have specific allergies or dietary requests—just let us know, and we'll take care of it. There's a Nespresso coffee machine on board. You're welcome to bring your own coffee capsules.

Salon:

The cozy, spacious lounge is perfect for relaxing evenings after a day of diving. There are entertainment options like a library, TV, DVD, CD, and video so you can enjoy your evenings however you like.

Sun Deck:

There's plenty of space, some of which is shaded, so you can relax either in the sun or in the shade.

Diving:

The lower dive platform has space for a few sets of diving gear and handrails mounted on the side walls. This allows divers to put on their gear there and avoids having to climb stairs in full gear, making it much easier to enter the water.

All participants should bring a copy of their passport, as well as a valid dive certification and logbook, to the boat check-in.

The first night of the safari tour is spent on the boat in the harbor. The last night of the safari tour is spent on the boat in the harbor or at a 4-star hotel, if the boat's schedule requires it.

In the event of further price increases by the Egyptian government (fuel, diving permits, or visas), we reserve the right to adjust fees and surcharges.

For group bookings of seven paying guests, the eighth person travels free of charge but is responsible for incidental expenses.
