Description

No matter how many times you've been on a **liveaboard trip** to the **Brother Islands**, there's only one thing you want: to come back here—and fast! Which dive sites other than the Brothers Islands are visited on this route depends on the safari's starting and ending ports.

Under Egyptian law, night dives are not permitted at the Brothers Islands, and a minimum of 50 logged dives is required.

Here you'll find dive sites along this route. Which sites are actually visited depends on the port from which your liveaboard departs and on current weather conditions.
