Description

The Oman Explorer's transfer trip offers a comprehensive look at the diversity of the Sultanate of Oman. At the start of the tour, you'll explore the Daymaniyat Islands, the Al Munasir wreck, and the Fahal Islands. In late November, the trip continues south along the coast via Masirah Island over the course of 10 days. The tour concludes with beautiful dives at the famous Hallaniyat Islands: there is a chance to spot humpback whales and dolphins from the boat. While diving, you'll see various rays, leopard sharks, cuttlefish, moray eels, turtles, and nudibranchs. Off Mirbat, the final stop on the crossing, there are stunning shipwrecks. In April, the journey continues northward from Mirbat back to Sifah.
