Description

How should I spend my diving vacation? Alone or with my family? Combining a diving vacation with a family vacation can often be exhausting. Most of the time, one person doesn't really get their money's worth. This liveaboard trip is designed for parents or single parents with kids ages 12 and up.

Omneia's "Diving with Teens" program proves that teens don't have to be bored on vacation with their parents. Teens can explore the diverse reefs and wrecks in the northern Red Sea either with their parents or with a dive instructor.
